Dear Mr. ^{Ken} May:

Re: Wellington Preparation Plant Status
Permit No. ACT/007/012

Kaiser Coal Corporation requests that its Wellington Coal Preparation Plant property be placed on inactive status effective July 1, 1988. This request is made pending resolution of the reclamation bond issue referenced in the Division's letter of July 21, 1988, and sale of the property to IPP.

Kaiser will submit a permit revision application to lower the hydrologic monitoring frequency from monthly to quarterly.

Thank you for your assistance in this matter. Please feel free to call if I can be of further service.

Sincerely,

W. P. Balaz
