Re: Permit Re-organization  
Wellington Coal Cleaning Plant  
ACT/007/012

Dear Mr. Braxton:

Enclosed are re-organized Chapters I and IX of the subject permit. These are re-organized in accordance with Kaiser's commitment to re-organize one chapter per month (committed to in B. Grosely to J. Whitehead letter dated March 31, 1988). A additional chapter will be submitted later this month.

As you are probably aware by now, Barry Grosely, as well as the rest of the Engineering staff at Sunnyside, was terminated July 8 due to economic reasons. I am the only soldier remaining.

Should there be any questions about this program, please feel free to contact me.

Sincerely,

Carl W. Winters  
Manager of Engineering
