Dear Mr. Schwehr:

Re: Permit Reorganization, Genwal Coal Company, Wellington  
Preparation Plant, ACT/007/012, Folder #2, Carbon County, Utah

Enclosed is a copy of the Division's proposed new Coal Mining Rules. This is the last copy that the Division has at this time. As I discussed with you on the phone, it is suggested that the format of the new rules be followed in your reorganization and resubmittal of the Mining and Reclamation Plan (MRP) for the Wellington Preparation Plant. These rules will most likely be in effect by the time the MRP resubmittal is completed.

I'm looking forward to meeting with you and discussing the MRP in late November. Please contact me if I can provide any further assistance.

Sincerely,

  
Susan C. Linner  
Reclamation Biologist/  
Permit Supervisor
