RE: Inspection/Enforcement and Permit Actions, Kaiser Mines

As most of you know, Bill Balaz is now working for SR&S at the Sunnyside Mine, and is no longer available for coordination of issues concerning Kaiser's Horse Canyon and Wellington properties. In order to encourage ongoing communication with Kaiser during the period prior to transfer of these remaining two mines, please contact Lou Kuchinic (505-445-2395) and attempt to schedule quarterly mine inspections so that he can attend.

If additional inspections are necessary or if any problems arise, please talk to Lowell or me.
