re: Revised As-Built Drawings  
Genwal's Wellington Coal Load-Out Facility

Dear Mr. Summers:

Per our recent discussion, the As-Built Drawings submitted December 21, 1989 have been revised to correct for detail and clarity. Accordingly, 3 copies of the revised drawings (and corrected narrative) are enclosed.

Each of the three sets should be inserted in the front of the 3-ring binders submitted December 21; tabbed separators are provided to establish chronology.

Please call regarding any questions.

Sincerely,

COAL SYSTEMS, INC.
