re: Wellington Preparation Plant  
Refuse Pile Certifications

Dear Mr. DeMichiei:

Enclosed please find the Annual Refuse Pile Certifications for the Wellington Preparation Plant, MSHA I.D. #42-00099. This operation is owned by Castle Valley Resources, Inc., a subsidiary of Nevada Electric Investment Company.

According to the records that we could find, the Refuse Pile Certifications were to be done annually in the month of April. If you have any questions or concerns, please contact us.

Sincerely,

COAL SYSTEMS, Inc.
