Dear Mr. Manwaring:

Re: Deficiency, Amendment, Slurry Fines Removal, Genwal Coal
Company, Wellington Preparation Plant, ACT/007/012-89(C), Folder
#2, Carbon County, Utah

The Division has completed review of your company's submittal received December 20, 1989. The plans were reviewed by Henry Sauer and Randy Harden of the Division's technical staff. Please submit a monitoring plan for the slurry fines as outlined in the attached memo by February 9, 1990. The plan should be formatted for incorporation into the Operation and Reclamation Plan for the Wellington Preparation Plant.

If you have any questions, please call Henry Sauer or me.

Sincerely,

A handwritten signature in cursive script that reads "Susan C. Linner".
