Dear Sharon:

Enclosed please find ten (10) copies of the amendment for the Temporary Rock & Coal Waste Storage Area at the Wellington Preparation Plant. This should be "insertable" to the existing MRP (blue binders) at Wellington as Appendix L, but not the "new" MRP (as referred to in Mr. Haddock's letter dated September 26, 1991). Copies insertable to the "new" MRP have been previously submitted.

I hope this information is sufficient. If there are any questions or problems with this submittal, please do not hesitate to call me or Jon Passic.

Sincerely,

Patrick Collins
