Mr. Daron Haddock,
Permit Supervisor
UTAH DIVISION OF OIL, GAS & MINING
3 Triad Center, #350
Salt Lake City, Utah 84180

Dear Mr. Haddock:

Enclosed please find ten (10) copies of the amendment for a temporary spoil storage area at the Wellington Preparation Plant. Subsequent to approval by the Division, you requested these copies in a letter to Allen Childs dated August 21, 1991.

This amendment is insertable into Castle Valley's new MRP. Please remove all of Section 5.28 of the MRP and replace it with this revised Section 5.28. You should have two (2) copies of the MRP in your office, therefore, we have put two (2) copies of the drawings in plastic sheet protectors (also insertable into the MRP, Drawings Appendix III-A).

If you have any questions or comments, please call me or Jon Passic.

Sincerely,

Patrick D. Collins, Ph.D.
Environmental Consultant
