Submitted Revisions - Mine Plan
Chapter #1

DIVISION OF
OIL GAS & MINING

Dear Mr. Haddock:

As discussed during a telephone conversation with you and Larry Johnson on September 8, 1992, please find attached 14 revised copies of the single page, page 1 of Chapter #1, showing the new address and telephone number of Castle Valley Resources. Also included in that revision is one more name added to the resident agent, that being the Chief Engineer of Genwal Coal Company.

Signs to reflect address and telephone number changes at Castle Valley Resources are in the process of being made. The sign company is running behind, although we should receive those signs this week. They will be installed as soon as we receive them.

Should you have any questions or need additional information, please contact me at 687-9813.

Sincerely,

R. J. Marshall
Genwal Coal Company
