Dear Mr. Marshall:

Re: Time Extension for Bond Adjustment, Castle Valley Resources, Wellington Prep Plant, ACT/007/012, Folder #3, Carbon County, Utah

On November 20, 1992 the Division met with Bob Mower and Denise Drago who were representing Castle Valley Resources with regard to reevaluating the Bond at the Wellington Preparation Plant. An additional 60 days to complete the bond adjustment was requested verbally in the meeting as well as in writing.

Your request is hereby approved. This letter will serve as an extension of the previous November 23, 1992 deadline for bond adjustment to January 22, 1992. Please bear in mind that this new deadline is the date that the adjusted bond must be in place.

Thank you for your cooperation. Please call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
