Dear Mr. Passic:

Re: Mid-Term Permit Review, Castle Valley Resources Inc., Wellington Prep Plant,  
ACT/007/012, Folder #3, Carbon County, Utah

As per our phone conversation on September 29, 1992, I am forwarding to you a copy of our mid-term review of your operation and reclamation plan. This is for your review and information and will serve as a basis for our meeting tentatively scheduled for next week. You will also find enclosed a copy of the Division's revised bond estimate which will also be discussed in the meeting. As you can readily see there are a number of issues which will be discussed and a plan for their resolution will need to be established.

We look forward to meeting with you. Please call if there are any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
