Dear Mr. 2 ~ :

Re: Supplemental Information, Castle Valley Resources, Wellington Prep Plant, ACT/007/012, Folder #2, Carbon County, Utah

You should have recently received an updated Operation and Reclamation Plan (ORP) for Castle Valley Resources, Wellington Coal Preparation Plant, in Carbon County, Utah.

Enclosed is one (1) copy of supplemental plans which further update the ORP and were inadvertently left out of the plan. This material is for your review, information and files and updates the plan sent to you on July 29, 1992. Please provide any written or verbal comments you may have on these plans.

If you have any questions or need additional information, please contact me or Sharon Falvey, Reclamation Hydrologist, at your earliest convenience.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
