Dear Mr. Passic:

Re: Extension Approval, Final Plans for Sediment Pond Modifications, Castle Valley Resources, Wellington Prep Plant, ACT/007/012, Folder #3, Carbon County, Utah

The Division received your written request dated December 27, 1991 for an extension of time to submit final design plans for sediment ponds on December 30, 1991.

In as much as a timely request was made and you are diligently working toward submitting the required information your request is considered reasonable.

The Division hereby grants an extension for submittal of the plans for modification of the pipeline Slurry Sediment Pond and Refuse Basin Sediment Pond to February 1, 1992. Final design details for expansion and modification of the Dryer Sediment Pond will be due on May 1, 1992.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
