Dear Mr. Mower:

Re: Approval of Revised Schedule for Mid-Term Review Responses, Castle Valley Resources, Wellington Prep Plant, ACT/007/012, Folder #3, Carbon County, Utah

The Division received your revised schedule for responding to the Mid-Term review by FAX on January 4, 1993. The schedule is hereby approved and Castle Valley Resources is now responsible for complying with the time frames as outlined. The Division looks forward to receiving the first submittal on February 12, 1993.

Just as a reminder, you should also be aware that Castle Valley Resources is still responsible for submitting a revised reclamation bond. The scheduled date that the bond must be in place is January 22, 1993. Please call if you have any question.

Sincerely,
