Re: Increase Bond and Reclamation Agreement, Five-Year Permit Renewal Application, Nevada Electric Investment Company, Wellington Preparation Plant, ACT/007/012-94C, Folder #2, Carbon County, Utah

Dear Mr. Marshall:

The Division has reviewed the permit renewal application for the Wellington Preparation Plant. The current bond for the Wellington Preparation Plant must be escalated to 1999 dollars, i.e. to \$3,279,000. Additionally, the Reclamation Agreement must be completed.

Upon receipt of the surety rider to increase the amount of the bond and the executed Reclamation Agreement for the Wellington Preparation Plant, the Division will determine this permit renewal application complete.

Due to publication notices required for permit renewal, the rider to increase the surety amount and the Reclamation Agreement must be received at the Division no later than October 10, 1994. If you have any questions, please call me.

Sincerely,
