MEMORANDUM

TO: Pamela Grubaugh-Littig

FROM: Patrick Collins

DATE: October 24, 1996

SUBJECT: Wellington submittal information

Pam:

As I mentioned on your voice mail today, when updating my computer files I noticed that the following pages got left out of our submittal yesterday.

There are 3 copies here. Please insert one of the enclosed copies to each of the 3 copies that I left you yesterday.

Sorry about that! And no it wasn't a ploy to get 1 more day to work on it. (They were only minor changes on these pages).

Call if you have questions.

Thanks.
