**RE:** 3 Copies of Approved Submittals (3/29/96)  
Wellington Preparation Plant (ACT/007/012)

Dear Mr. Haddock:

Enclosed please find three (3) additional copies of several recent submittals for the Wellington Preparation Plant. These submittals have been "approved" by your letter to me dated February 12, 1996.

As you will recall, Sharon Falvey and I conducted a side-by-side comparison between of the MRP's and all submittals. From that comparison we marked and noted the specific pages that should be inserted to your MRP's. Therefore, we are submitting those pages only -- not each submittal in its entirety (the Division already has copies of each of those submittals). A checklist of the pages included with this letter is shown below. In most cases sections, pages and submittal dates are also provided.
