RE: WELLINGTON PREPARATION PLANT, PERMIT NO. ACT/007/012

Dear Lowell:

Nevada Electric Investment Company ("NEICO") has requested me to update you on the status of Permit No. ACT/007/012. Although there are several parties interested in acquiring the Wellington Preparation Plant, there are currently no active contracts for purchase. Once again, to avoid any misunderstanding regarding the transfer of Permit No. ACT/007/012, NEICO requests that the Division communicate directly with me or NEICO as to the status of purchase and sale negotiations. Please request NEICO's written confirmation prior to proceeding with any new or pending application to transfer Permit No. ACT/007/012.

Thank you for your assistance in this matter.

Very truly yours,

Denise A. Drago
