Re: Wellington Coal Preparation Facility, ACT/007/012, Folder #2, Carbon County, Utah

Dear Mr. Longworth:

I am in receipt of your February 9, 1996 letter voicing concerns over a potential transfer of the Wellington permit from Nevada Electric Investment Company to COVOL. I have reviewed this letter under the provisions of R.645-303-330, Public Participation in the Transfer, Sale or Assignment of Permit Rights. That transfer has not yet been approved or denied by the Division. Should a finding regarding transfer of this permit be made by the Division, you will be provided with a copy.

Very truly yours,
