Attention: Mr. Mel Coonrod

REF: Earthco

Dear Mel,

We estimate that if you could find property close to the project and negotiate a deal with a land owner for 75 cents per yard your haul would be short.

Loading and trucking would be between \$1.50 to \$3.00 per yard depending on the distance.

There should be someone willing to sell material fairly close to the project.

If you need anything further, please contact me.

Sincerely,

Nelco Contractors, Inc.
