Dear Ms Wright,

ACT/007/012 #2

I apologize for the lateness of this very sincere thank-you for your willingness to come to Price and help me sort through the concerns on the Earthco property in Wellington.

You and your staff were so open minded and responsive that I believe someday we may see a viable development on that site. Your input was invaluable and set all of us on a more productive road.

Thanks again for your help and I hope we produce a "diamond" for us to show off as a reward for the many entities who have cooperated.

Thank you,
