Re: Additional Information (#3 -Soils) for Covol's Amendment for the Wellington Modular Coal Fines Wash Plant Construction #2, ACT/007/012-97G

Dear Joe:

Bob Davidson requested further information on Covol's minor amendment submitted originally on September 5 (received by DOGM 9/9/97). Attached are the appropriate C1 and C2 forms that describe the replacements for specific parts of that submittal.

Three copies of this additional/replacement information are enclosed to help expedite your review. If you have any questions, please contact Steve Brown at (801) 768-4481 or me at (801) 943-4144. Thank you.

Very truly yours,

Tim Thompson, P.E.
Project Engineer
