Re: Dryer Pond Remedial Action Plan, Nevada Electric Investment Company,
ACT/007/012, Folder #2, Carbon County, Utah

Dear Dr. Collins:

On January 27, 1997, the Division received a proposal to modify the Dryer Pond as required by violation N96-41-2-1. Sharon Falvey, Reclamation Hydrologist, has reviewed the plan and found it to not meet regulatory requirements. Enclosed is a copy of her memorandum discussing the deficiencies. Please call Ms. Falvey (538-5260) or me (538-5261) with any questions.

Sincerely,

Paul B. Baker
Reclamation Biologist
