Re: Operator Designation, Nevada Electric Investment Corporation, Wellington Preparation Plant, ACT/007/012, Folder #2, Carbon County, Utah

Dear Mr. Hinckley:

On January 23, 1997, the Division received a revised amendment for the Wellington Preparation Plant operation and reclamation plan. The application to designate Earthco as the operator of the preparation plant was approved January 7, 1997, with a stipulation that the application to amend the plan be submitted by January 27, 1997.

The amendment application is considered complete and accurate and is hereby approved, effective February 10, 1997. Enclosed is a stamped copy of the amendment for insertion in your copy of the operation and reclamation plan. Thank you for your cooperation. Please call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'P. B. Baker'.
