Dear Paul:

Copy Paul letter
#7 < #2 (cover letter)

The attached submittal is in response to a recent DOGM Division Order that requests the Second Quarter Water Quality Analyses performed by JBR Environmental Consultants for COVOL. These ground and surface water locations are east of the Price River which are the responsibility of COVOL. The remaining monitoring data for the permittee, NEICO, are to be provided by others. If you have any questions, please contact Layne Ashton at (801) 768-4481 or me at (801) 943-4144. Thank you.

Very truly yours,

Tim Thompson, P.E.
