RE: Response to Division Order 98A, Nevada Electric Investment Company,
Wellington Preparation Plant, ACT/007/012-DO98A, Folder #2, Carbon County,
Utah

SUMMARY AND ANALYSIS:

Part of Division Order 98A required the permittee to submit an updated map showing the disturbed area for the preparation plant being operated by Covol on the east side of the Price River. Map T1-9597 has been updated to include this information. During the July 1998 inspection, the map was field checked, and the disturbed area boundaries appear to be accurate.

RECOMMENDATIONS:

The map submitted in the response to Division Order 98A can be approved.
