ACT/007/012 #2

Re: Addendum #6 for Covol's Amendment for the Wellington Refuse Basin Mining and Wash Plant Operation, ACT/007/012

Dear Daron:

The attached submittal for the above amendment is in response to NOV # N 98-41-2-1 dated March 11, 1998. Along with the appropriate C1 and C2 forms, this package contains revisions of text in Section 7.42, hydrologic calculations, and Drawing T1-9597 which addresses the violation. In addition, please accept revised page 3a, Section 7.22 which provides the data acquired during the hydraulic conductivity testing of the recently installed monitor wells GW-15A, GW-15B and GW-16. This information is in response to a DOGM Technical Analysis.

Daron, your cooperation in keeping this project on track is appreciated. If you have any questions, please contact Layne Ashton at (801) 768-4481 or me at (801) 943-4144. Thank you.

Very truly yours,

n/c *Tim Thompson*
