Re: Determination of Administrative Completeness, Alternative Postmining Land Use, Wellington Preparation Facility, ACT/007/012, Folder #3, Carbon County, Utah

Dear Mr. Collins:

The application for the alternative postmining land use (received November 16, 1998 and December 11, 1998) has been determined administratively complete. At this time you should publish a notice for this Alternative Postmining Land Use as required by R645-300-121. A copy of the publication should be sent to the Division as soon as it is available. You should also insure that a copy of the application is on file at the Carbon County Courthouse.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Pamela Grubaugh-Littig".
