Dear Pam:

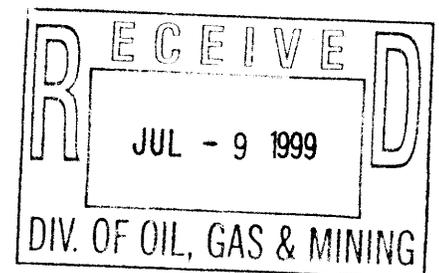

Enclosed you will find an AVS Report for June, 1999, that includes all of the permit specific relationships (operators, contractors, controllers, etc.) the AVS Office has added or updated in the AVS related to Utah permits. The AVS Report includes the permit number, the AVS sequence number, state name, type of addition, permittee name, specific name (name of the operator, contractor, controller, etc.), source (indicates who in the AVS Office entered the information) and the day the record was entered or updated.
