Re: Permit Transfer from NEICO to WCP Development, LLC, NEICO, Wellington
Preparation Plant, ACT/007/012-TR99, Folder #2, Carbon County, Utah

Dear Mr. Scott:

This permit transfer application was submitted in March 1999 and a deficiency letter was sent to you and Patrick Collins on April 27, 1999. Subsequent to that letter, the Division received a \$3 million bond but no other responses to the other deficiencies. This bond was returned to Edward Cronick (Clearwater) on June 21, 1999.

No recent correspondence has been received by either NEICO or WCP Development, LLC in regard to this permitting action. Therefore, the permit transfer application is being returned to you.

You may resubmit this permit transfer at anytime in the future. If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
