**Subject:** Wellington 1st Quarter Water Samples

Hi Ken:

We had a bit of a delay with the samples on the east side of the property from General Resources. Vicky Miller just wrote and said they are now ready. The west side has been ready for a month or so (from Karla Knoop).

Please consider this note a formal request from NEICO for DOGM to 'officially' accept them.

Let me know if you have problems, questions or comments.

Thanks,

Patrick
