Hi Patrick,

Nice to see you and thanks for taking me around the site yesterday. I did some checking on our copy of this table in our MRP and it turns out that yes, in fact we do have that older version of the surface water table in our files. My incorporation date was 2/2/1996. The table is titled: 7.24-5. If you could please forward me your copy of that table (I believe yours had a 1998 incorporation date), I will update our MRP with it. The rest of section 7.24 in our MRP all had 1998 incorporation dates....strange how this one table didn't get changed.

Also, I think I left some of my notes in your truck yesterday. If I did, could you drop them off in Price the next time you are there or just give them to another staff member the next time you see one of us?

Thanks again!

April
