Springville, Utah 84663

Subject: Conditional Approval of Change to Sediment Control Methods, NEICO, Wellington Prep Plant, C/007/0012, Task ID #3670

Dear Mr. Collins:

The above-referenced amendment is conditionally approved upon receipt of four clean copies prepared for incorporation. Please submit these copies by January 18, 2011. Once the Division receives these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5262 or April Abate at (801) 538-5214.

Sincerely,

James D. Smith
Permit Supervisor
