Subject: Application for transfer of DOGM Permit No. C/-007/0012

Dear Mr. Haddock,

I have spoken to you on several occasions about the process for transferring assignment of the DOGM permit for the Wellington Coal Wash Plant from Nevada Electric Investment Company (NEICO) to Wellington Industries LLC. In order for us to proceed in this process, we are requesting a letter from you stating that this permit can be assigned to Wellington Industries LLC, upon the condition that we meet all of the requirements defined by the Utah Division of Oil, Gas, and Mining for this permit transfer.

NEICO is requesting such a letter at the present time, pending final approval and transfer of the property. Your help with this would be greatly appreciated. If you have questions or need further assistance with this request, please feel free to contact me at (435) 650-1218.

Sincerely,

Richard E. Mainord
Wellington Industries LLC
