Hello Patrick,

The Division received the Wellington Prep Plant, 2010 Annual Report today, 3/30/11 on cd. However, the cd appears to be blank. I have tried to pull up any information as well as our IT people, but with no luck.

Please re-submit a cd or you can also email your 2010 Annual Report to [OGMCOAL@utah.gov](mailto:OGMCOAL@utah.gov).

Thanks!
