Subject: Conditional Approval of Midterm Permit Review, Wellington Preparation Plant, NEICO Inc., C/007/0012, Task ID #4253

Dear Mr. Collins:

The above-referenced amendment is approved conditioned upon receipt of 2 clean copies including the proper certification of Maps E9-3341 (Permit Area, Facilities) and E9-3341A (Property Ownership). The maps are accurate and updated but were not correctly certified according to R156-22-601. Please submit these copies by March 21, 2013. Once we receive these copies, final approval will be granted.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5350 or April Abate at (801) 538-5214.

Sincerely,

Daron R. Haddock
Coal Program Manager
