Subject: Conditional Approval of Minor Track Expansion, Wellington Prep Plant, Price River Terminal, LLC, C/007/0012, Task ID #4507

Dear Mr. Collins:

The above-referenced amendment is approved conditioned upon receipt of 2 clean copies prepared for incorporation. Please submit these copies by March 14, 2014. Once we receive these copies, final approval will be granted.

A stamped incorporated copy of the approved plans will be returned to you for insertion into your copy of the Mining and Reclamation Plan.

Any future submittals with changes to surface facilities must include: adjustments to surface facilities maps, clear indication through maps and narrative of the facility's proximity to the disturbed (bonded) area boundary, and the appropriate adjustments for bonding (if necessary). If bond adjustments are not needed, the operator must provide details as to why. If this information is not provided in future submittals, the plans will be denied and returned deficient.

If you have any questions, please call me at (801) 538-5350.

Sincerely,

Steve Christensen
Permit Supervisor
