Good morning Patrick,

Thanks for the update. Just fyi- in the future, please CC Amanda Daniels on hydrology related matters. She's been assigned as the review hydrologist for Wellington prep.

Regards,  
Steve

p.s. Another quick fyi- Just a heads up that Wellington Prep's permit renewal is coming up. Suzanne can correct me if I'm wrong, but it appears the deadline to submit the renewal application is August 10th.

Steve:

This e-mail is to inform you that the 1st quarter 2019 water monitoring information for the PRT Wellington Prep Plant (C/007/0012) has been entered into the State's on-line hydrology database and is ready for uploading. This includes the regular water monitoring information and UPDES information.

Patrick
