Dear Mr. McGlothlin:

RE: Posting Geneva Reclamation Bond, Board Order #5,
September 28, 1985, Kaiser Coal Corporation, ACT/007/013,
#5 and #6, Carbon County, Utah

The recent Kaiser Coal Corporation reclamation bond estimate submittal for the Geneva Mine has been reviewed by the Division. The amount to be posted by Kaiser Coal Corporation by June 5, 1985 is \$821,643.00 (1986 dollars).

The Division requires Kaiser Coal Corporation to post this bond in 1986 dollars because a mining and reclamation plan under the permanent program for the Geneva Mine will probably be submitted by Kaiser Coal Corporation within the year. If a plan is not submitted and approved before June 1, 1986, the bond amount will be escalated into 1987 dollars and an escalated bond must be posted on or before June 1, 1986.

If you have any questions, please call me or Pamela Grubaugh-Littig of my staff.

Best regards,
