Dear Mr. Haddock;

Please find enclosed two (2) copies of Appendix 3-2 which reflects the new vegetation inventory.

In UEI's meeting with Paul Baker it was discussed that Appendix 3-2 would not be ready for our November submittal. Paul suggested that Appendix 3-2 could be submitted separately so as not to hold up DOGM's review process.

As per Dave Darby's request two (2) copies of the redline, strike out have been included to expedite review. The C1 form is included. The C2 form will be submitted with the actual changed pages once the redline copies have been approved.

Hopefully with this submittal you can approve the Lila Canyon significant revision to the Horse Canyon Mining and Reclamation Plan.

Should any section of any chapter be determined to be technically deficient I would appreciate being notified immediately so an appropriate response can be prepared.

Sincerely,

*R. Jay Marshall*
