Re: Phase II Bond Release Maps, UtahAmerican Energy, Inc., Horse Canyon Mine,
ACT/007/013-BR97B, Carbon County, Utah

Dear Mr. Marshall: *File #2*

The Division received a submittal on April 22, 1999 in response to my April 14, 1999 letter requesting "full size maps clearly showing the Phase II bond release areas with acreage excluded from the bond release areas clearly identified and verified." This submittal did not have the requisite C1/C2 forms and must be returned.

Additionally, these maps show "areas of additional reclamation activities", which is not what was requested. Please submit full size maps, with the requisite C1/C2 forms, clearly showing the Phase II bond release areas with acreage excluded from the bond release areas clearly identified and verified. Please submit these maps within 90 days (July 28, 1999) or this permitting action will have to be returned.

If you have questions, please call Susan White (especially for specific questions) or me.

Sincerely,

Pamela Grubaugh-Littig
