Dear Ms. Grubaugh-Littig;

As per Dave Darby's request I have enclosed a complete copy of the text with redline of the Lila Canyon significant revision. All chapters are included. These copies are to help facilitate the review and are not intended for insertion into the MRP.

Previously I have submitted a redline copy, a complete copy without redline, and now a copy of the complete text with redline. I hope these submittals will help facilitate the review.

If there is anything I can do to help in the review process please let me know.

Sincerely,

*R. Jay Marshall*
