Dear Mel:

As you know, I was named the Resident Agent for UtahAmerican Energy, Inc. ("UEI") for our permits and applications. However, Pamela Grubaugh-Littig pointed out in her letter of April 3, 2000 (attached) that I can not be the Resident Agent since I am not a resident of Utah. As you can see Ms. Grubaugh-Littig suggested I contact CT Corporation since they are the Resident Agent for several Utah coal mines.

Come to find out we, UEI, named CT Corporation as our Domestic Representative when we formed UEI. I contacted CT Corporation's Cleveland Office, where we are on file, to see what we needed to do to have them named as our Resident Agent. Seeing that changing the Resident Agent involves changing some items in our permit application, I would like you to coordinate this with both Ms. Grubaugh-Littig and Ms. Stout to get CT Corporation named as UEI's Resident Agent. I think having you work directly with the people involve will help speed up the process. Ms. Stout's phone number is 216-621-4270 and Ms. Grubaugh-Littig's number is 801-538-5340.

If you have any questions, please call.

Thanks,  
UtahAmerican Energy, Inc.

Re: Resident Agent, UtahAmerican Energy, Inc., Horse Canyon Mine, ACT/007/013-LF00A,  
Outgoing File

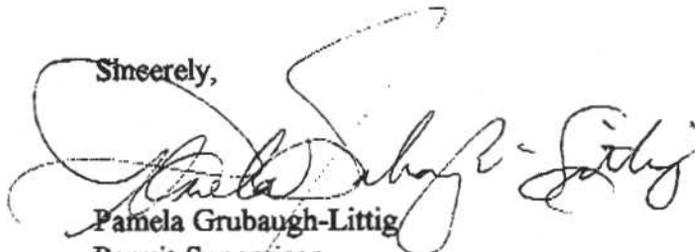

Dear Mr. Borrell:

I reviewed your submittal to change some legal information at the Horse Canyon Mine. After a telephone conversation we had several weeks ago, it is now my understanding that you will be the designated representative for all correspondence for this mine at the Pepper Pike, Ohio address above.

In this submittal, you were also noted as the resident agent. The resident agent, however, must reside in Utah and must therefore, be changed. One suggestion may be to contact C.T. Corporation, which several of the Utah coal mines use for their resident agent. Their phone number is 801-530-7090.

Please correct the submittal and return to the Division by May 3, 2000. If you have any questions, please feel free to call me.

Sincerely,

Pamela Grubaugh-Littig  
Permit Supervisor
