Mel:

I spoke with Pam Grubaugh-Littig yesterday about the changing of the resident agent on UEI. She has not received the needed paperwork regarding the change. Could you please check into this for me.

Also, myself and our head geologist are going to be in Price next week. Do you happen to have a vacant office we could use a couple hours a day? Also, is there somewhere in Price where we can get maps copied?

Thanks - Clyde Borrell

PS - Pam's number in Salt Lake is 801-538-5268
