Re: Removal of Sedimentation Pond and Culvert Removal - Phase II Bond Release  
UtahAmerican Energy, Inc., Horse Canyon Mine, ACT/007/013-BR99A, Outgoing File

Dear Mr. Borrell:

Thank you for visiting our offices on March 24, 2000 and updating us on the status of the permitting for the Lila Canyon extension of the Horse Canyon Mine. As a reminder, please contact our offices when you will be removing the sedimentation pond and culverts this spring, relative to the Phase II bond release at the Horse Canyon Mine, so that Dave Darby may be on site during this activity.

If you have any questions, please call me. I look forward to working with you in the future.

Sincerely,

Pamela Grubaugh-Littig  
Permit Supervisor
