As per our conversation yesterday, Wayne Western has determined that the new bond for the Horse Canyon Mine should be \$1,253,000. I have talked with the Clyde Borrell and he has agreed to increase the bond. He is requesting that you send him a written request for this bond increase.

Please send your letter by Fax (740) 926-1615 or E-mail cborrell@coalsource.com as soon as possible. Would you also send me a copy of your request. Please call me if you have any questions. Thanks again for all of your help.
