RE: Lila Canyon Mine Road UtahAmerican Energy, Inc.
Response to UDOGM Leter Dated November 29, 2000

Dear Mr. Haddock:

The purpose of this letter is to keep you informed on the progress of the proposed Emery County Road referred to in your above mentioned letter. On behalf of UtahAmerican Energy, Inc. (UEI), I am presently working with Emery County to obtain the answers to your letter. Due to this present action, I feel it would be appropriate at this time for UDOGM to disregard the response to your letter dated January 15, 2001, from Mr. David Steed.

I will keep you informed as progress with Emery County develops. Your past help in this matter is greatly appreciated. Please contact me at (435) 472-3814 if you have any question concerning this matter.

Sincerely,

Tom Paluso, P. E.
Senior Engineer
