SUBJECT: Lila MRP Replacement Sheets

INCOMING
C/007/013-SR 98

Enclosed are two sheet from the Lila PAP with the revised disturbed acreage, as per my discussion with Periscilla and you. I believe this solves the problem of the acreage discrepancy. Page 11 goes in Chapter 2 and page 1 goes into Appendix 5-8. I have also talked with Wayne and Periscilla about these changes.

Please call me if you would like to discuss this matter.
