RE: Removal of Sedimentation Pond and Vegetation Sampling, UtahAmerican Energy Inc., for Phase II and III Bond Release Horse Canyon Mine C/007/013

Dear Mr. Braxton:

The purpose of this letter is to inform the Division that UtahAmerican Energy, Inc. (UEI) is planning to remove sedimentation pond 1 and the refuse site drainage culvert located at the Horse Canyon Mine. This work is being coordinated with Paul Baker and should start during the week of May 28, 2001.

Vegetation sampling activities are being coordinated with Susan White. This work will be conducted after July 9, 2001. All vegetation work will be directed through Susan.

If you have any questions or concerns, please contact me or Mel Coonrod.

Sincerely,

J. T. Paluso, P. E.  
Senior Engineer
